-ing temporarily, up to the
end of the year 1900-1901,
an additional establish-
ment for the Bagur bracket
in the Shimoga District,
and calling for a report
at the close of the year as
to the

to the effect the cost of the additional establishment will have on the average annual revenue of the past three years, I have the honor to state that the average annual Bagai toddy revenue in the Shimoga District for the past three years is as per particulars below:-

The

The Bagani Toddy Revenue of the Shimoga District for the past official year, Compared with the previous year, is as follows:—
